Neutral ID: 141970

The AAA's Rules provide the AAA with the authority to administer an arbitration including, arbitrator appointment and challenges, general oversight, and billing. Accordingly, arbitrations that proceed without AAA administration are not considered AAA arbitrations, even when the parties select an arbitrator who is on the AAA's Roster.

The information contained in this resume has been supplied solely by the individual arbitrator and may, or may not, be a complete reflection of their experience. The AAA assumes no responsibility for the content, completeness, accuracy, or reliability of the information contained in an arbitrator's resume. If you have any questions about an arbitrator's experience or background, you are encouraged to contact your case manager.

Arbitrators on the AAA Roster are not employees or agents of the AAA.

Am currently serving as a member of the AAA-ICDR Dispute Avoidance and Resolution Board (DARB) roster. Have served on multiple Dispute Resolution Boards in the past on various construction industry projects.

Experience

A 35+ year former trial lawyer with extensive experience in domestic and international litigation and arbitration of commercial and construction disputes involving real estate development & construction (architecture, engineering, procurement, construction management), energy (production, pipelines, petrochemical, & power), insurance disputes, banking and finance, corporations, partnerships, mergers and acquisitions, contract negotiation, business law, employment, real estate, transportation, oil & gas and environmental laws and regulations.

From 1999 - 2025, served as outside General Counsel to Gulf Interstate Engineering Company (GIE), a Houston based international oil & gas pipeline engineering, procurement and construction management (EPCM) firm in the Energy Industry. GIE is often listed in ENR's top 250 private firms. Former General Counsel for 3D/International, Inc., a Houston-based international construction industry holding company that was acquired several years ago by Parsons International. Supervised all litigation, arbitration, mergers and acquisitions, contract review and negotiations for this architectural, engineering, construction management, and environmental services firm. Environmental experience in risk assessment, contamination, site remediation, toxic torts, indoor air quality, hazardous waste, permitting, and enforcement.

Served on the roster of several construction industry Dispute Resolution Boards. Currently serve on the international roster of the AAA/ICDR Dispute Avoidance and Resolution Board.

Mediated and arbitrated several toxic mold cases in Texas. Former adjunct professor at University of Houston, teaching Environmental Laws and Regulations. Former Bank President and CEO with two major Houston based commercial banks. Responsibilities included managing over \$100 million in bank assets and over \$100 million in commercial, industrial, energy, construction and real estate loans to both domestic and international clients. Appointed Special Commissioner on multiple occasions by County Court at Law Judges to preside over condemnation and eminent domain proceedings in Harris County, Texas.

Alternative Dispute Resolution Experience

Active ADR practice in Texas, the U.S. and internationally having mediated in excess of 5,000 cases and arbitrated to Final Award over 350 cases in the past 30+ years. Arbitrated and mediated numerous complex civil (commercial, construction and energy related) multi-party cases. Appointed a Master in Chancery by District Court Judge in Harris County, Texas to oversee the settlement procedures and eventual settlement in a complex toxic tort case involving over 800 plaintiffs and multiple defendants in a Texas pipeline explosion case. "Credentialed Distinguished" by the Texas Mediator Credentialing Association. Texas
