

Richard J. Wittbrodt ,Esq.
Los Angeles, California

Current Employer-Title

Gibbs Giden Locher Turner Senet & Wittbrodt LLP (Gibbs Giden) - Partner, Executive Committee Member

Profession

Attorney, Arbitrator/Mediator

Work History

Partner/Executive Committee Member/Managing Partner/Associate, Gibbs Giden, 1988-Present; Public Accountant, 1981-1984.

Experience

Attorney with over 30 years of practice, primary emphasis in construction litigation, including prosecuting and defending claims of delay, design issues, breach of contract, warranty of plans and specifications, prompt payment requirements, contract interpretation issues, lost profits, disruption, defective construction, mechanics lien and stop notice foreclosure actions, for both public and private projects. Experience representing owners, designers, general contractors and subcontractors on multi-million-dollar complex cases involving hospitals, hotels, commercial structures, educational institutions, and transportation and other infrastructure projects. Claim amounts have ranged from \$1M to over \$100M.

Argued before Court of Appeal in a case of first impression: (setting the standard for probable validity of cross-complaints for writs of attachment), and co-author of the seminal construction law treatise, California Construction Law (Walters Kluwer, Publisher)

Experience building consensus within groups, experience settling cases and dealing with all aspects of running a business, including balancing high expectations, difficult responsibility, and unique personalities. Law practice emphasized complex construction litigation, including prosecuting and

The AAA's Rules provide the AAA with the authority to administer an arbitration including, arbitrator appointment and challenges, general oversight, and billing. Accordingly, arbitrations that proceed without AAA administration are not considered AAA arbitrations, even when the parties select an arbitrator who is on the AAA's Roster.

The information contained in this resume has been supplied solely by the individual arbitrator and may, or may not, be a complete reflection of their experience. The AAA assumes no responsibility for the content, completeness, accuracy, or reliability of the information contained in an arbitrator's resume. If you have any questions about an arbitrator's experience or background, you are encouraged to contact your case manager.

Arbitrators on the AAA Roster are not employees or agents of the AAA.

defending claims of delay, disruption, defective construction, mechanics liens, and stop payment notices, for both public and private projects. Experience representing large general contractors, owners, and design firms with multi-million-dollar complex claims on airport, high speed rail, hospital, and hotel projects, on delay, design, breach of contract, warranty of plans and specifications, prompt pay, and contract interpretation issues.

Alternative Dispute Resolution Experience

Over 30 years practicing law with a significant number of mediations and arbitrations for construction project disputes including: construction of light rail transportation project; airport fuel tank farm; new hospital under OSHPD jurisdiction; hospital patient tower; dispute concerning construction of hotels including ground up construction, expansion and refurbishment; environmental soil work at new housing development; construction of a parking structure at a public university; multiple construction disputes on K12 campuses; construction of a solar array at K12 facility; multiple disputes with general contractors concerning construction of new kitchens for K12 facilities; construction of a solar array at a commercial project; supply contract for various construction projects; dispute between a union and a public entity over construction of a new distribution facility; and many disputes concerning commercial and other public works projects.

Education
